BAND WANTS UNIFORMS

Question of Which
Appropriation
to Use.

MR. DOLE GIVES
AN OPINION

Money Must Come From Band
Incidental Fund—National
Guard Has Uniforms.

Captain Berger's band boys are in need of new uniforms and have applied to Governor Dole for ways and means by which they may be purchased.

There is some question as to the appropriation from which the fund shall be drawn with which to buy the uniforms for the members of the government band. In reply to a request from the governor, Attorney General Dole yesterday submitted the following opinion:

Territory of Hawaii,
Office of the Attorney General.
Honolulu, H. I., Sept. 18, 1902.
To His Excellency Sanford B. Dole,
Governor of the Territory of Hawaii.

Sir:—I have the honor to acknowledge receipt of your request for my opinion whether the band can be supplied with military uniforms under the appropriation for the support of the military. Act 4 of the extra session of 1901, under the title of "Military," appropriates five thousand dollars for "Uniforms, enlisted men." It seems to me that this appropriation is limited by the plain language of the legislature to the purchase of uniforms for men enlisted in the military service of the Territory. I do not understand that the members of the government band answer this description.

The same Act, under the title of "Band," appropriates twenty-four hundred dollars for "Incidentals, uniforms, carfare, new music, repairs, express, etc." As it is one of the duties of the band to furnish music for and take part in military parades, I see no reason why suitable uniforms for that purpose may not be purchased from the last named appropriation.

I have the honor to be, sir, with great respect,
Your obedient servant,
(Signed) E. P. DOLE,
Attorney General.

The appropriation upon which the Attorney General holds that money can be drawn for the purchase of the uniforms is hardly in a condition to permit of this expenditure. The total of \$2,400 for band incidentals is already nearly expended, the amount being very little for two years. Carfare eats rather heavily into the fund, added to which is the expense of new music, repairs to instruments, expressage, etc.

On the other hand the appropriation of \$5,000 for uniforms for the military has been very little used, because of the aid received from the United States government. Under a recent act of Congress Hawaii is entitled to \$5,000 per year along with the other Territories of the country for the maintenance of its militia. The money however must be used in the purchase of supplies, and within the past year the National Guard of Hawaii has received all the military clothing required, excepting the khaki uniforms, from the War Department.

side; thence to and around Flag Boat off residence of W. G. Irwin, keeping it on the port side while rounding; thence to a Flag Boat off entrance to Kalia Harbor, keeping it on the starboard side on rounding; thence to Flag Boat off Irwin's residence; thence to Flag Boat off Kalia Harbor; thence to Spar Buoy, passing it on port side; thence keeping between lines of buoys and piles in channel to Judges' stand.

Both the Healan and Myrtle clubs have about ceased practicing and today the boats will be placed in trim for the work expected of them tomorrow. The Healan barge needs some repairing and polishing before it can make any effort at good racing, and it will undergo a thorough inspection today. Observations of both crews on their practice rows each evening have shown remarkably clear and clean rowing. Each crew seems well balanced

and the rowers move with a regularity and precision which indicates that the coaches have corrected many faults in form.

The committee appointed to collect funds for the Regatta have turned in more than \$1000, the result of less than a week's work, and both A. A. Wilder and Allan Dunn are already slated for next year's finance committee.

VASELINE NO GOOD FOR HAIR.

Dandruff Germs Thrive in It, as Well as in Grease.

A well known Chicago hair specialist invited the Inter Ocean reporter to come to his office and see, under a microscope, how the germ that causes dandruff thrives in vaseline. The specialist said that all hair preparations containing grease, simply furnished food for the germs and help to propagate them. The only way to cure dandruff is to destroy the germs, and the only hair preparation that will do that is Newbro's Herpicide. "Destroy the cause, you remove the effect." Without dandruff no falling hair, no baldness. Ask for Herpicide. It is the only destroyer of the dandruff germ.
